Legislation For Improvements.

More Rulings Made by Solicitor Esgate.

Election of John R. Vaughan Rescinded.

of Seven Assessors Bonds Approved.

A large number of improvement reso lutions and ordinances came before the Council Tuesday night. Solicitor Esgate gave a decision in this matter, covering a much discussed question. He held that when a resolution to improve called for either brick or block asphalt, the ordinance must call for the same and could not more definitely specify the material to be used. This decision is seriously questioned, by the way.

The solicitor also held that where parks or other public property was benefited by an improvement the city should pay for its part. This has not always been done.

In this connection it was pointed out by Councilmen that the City will have to pay practically all the expense of paving Forge st, from Mill to College

RESOLUTIONS.

The following resolutions passed: Appointing W. A. Spencer, Esq., Louis Laumann and B. F. Davi an assessing board for the Fountain sewer; for the construction of 6 foot stone sidewalks on both sides of Wooster ave., from Pine to Bare st. appointing C. S. Cobbs, Esq., to fill a vacancy on Buchtel ave, sprinkling board, caused by the removal of Mr. M. D. Brouse; to construct a sewer in Summer st. from Wolf Ledge run to Voris st.; to pave South High st. from Mill to Chestnut st. with brick or block asphalt; to provide for a reassessment for a local sewer in East Market st., the original assessment having been invalid because it taxed the cost on too few property owners, and none on the

city property there. ORDINANCES. The following ordinances were pass ed: For a sewer in Vine st., from Fountain st to 125 feet east of Spicer st.; to re-establish the grade on Brown st, to curb, gutter and slag Lods st.; to pave South Forge st. from College st. to State st., H. Exchange st., with brick or block as ACTION RESCINDED.

The Council reseinded its action it declaring the office of Justice Vincent Helbling vacant and electing John R Vaughan to fill it. Clerk labell said he had received a letter from Mr. Helb. ling stating that he expected to be able to resume his duties upon his return from Washington, Mr. Koons said he had been told that the Council had been misinformed with reference to Mr. Helbling's condition; he had no objection to the election of Mr. Vaugh an otherwise. A brother of Mr. Helb-Hing stated that it was true Mr. Helbling had been away for some time, but that it would be wrong to legislate him out of office: that his name had been wrongfully used in requesting Mr. Helbling to resign. Clerk Isbell said his name had been used in the same manner, and his only knowledge of it was when he received a telegram which he read in Tuesday's night's Council meeting, which said: "Resignation refused."

As this was but a continued session of Tuesday night's meeting the reseinding of the action taken was quickly accomplished.

The bonds of seven of the eight assessors appointed by the Board Thursday were presented and approved, as follows:

Wm. Sickly, with O. A. Hoyr and W. M. Buchtel, sureties; A. T. Brown less, with F. S. Christian and D. A. Hibbard, sureties; H. W. Anson, with A. J. Rowley and E. W. Stuart, sureties; B. F. Zechariah also contains this verse: "They shall look upon Me whom they have pierced. In the gospels of St. Matthew and John the above language is repeated in narrating incidents leading to and following the erucitixion of Christ. So yesterday-Good Friday-was observed as the anniversary of the Crucifixion. This day, so many years ago, marked the climax to the trials and persecutions of our Savior. St. Matthew says of the Crucifixion: "From the sixth hour there was darkness over all the land unto the uinth hour." and ar the ninth hour when death came, "the veil of the temple was rent in twain from the top to the bottom, and the earth

The Bible story of the Crucifixion and resurrection is known to almost every person who is able to read, and Pasion Week and Good Friday, espefally, are observed with appropriate olemnities and services. In a number of churches in this city services were held this morning. Easter Sunday marks the anniversary of the resurrection of Christ. It ushers in joy and gladness, and closes the Lenten sea-
